

29th October 2019

Dear Parent/Carer,

We have been informed that buses will not serve the bus stops on Corbets Tey Road between the morning of Friday 1st November and Sunday 10th November. This means that students will be unable to use the local bus stops to the school on Corbets Tey road near to the end of Brackendale Gardens for this Friday and all of next week.

The closest alternative stops towards Lakeside are:

- Stop 'A' on Station Road at Upminster Station
- Stop on Ockendon Road near Fen Lane (North Ockendon)

The closes alternative stops towards Romford are:

- Stop 'C' on Station Road at Upminster Station
- Stop on Ockendon Road at Upminster Station

We will be expecting all students to be arriving on time and to make adjustments to their journey time to allow for this. We advise that students go to the Upminster Station bus stops and walk to school from there (approximately 20 minutes), or that alternative arrangements are made so that they are able to start the school day at the expected time of 8:45am.

Yours sincerely,

Mrs. A Kirkpatrick
Headteacher
