

WELCOME FROM THE HEADTEACHER

I am delighted to welcome you to Gaynes School.

At Gaynes School, we aim to prepare young people for an ever-changing world that values self-confident, well-educated and enterprising people.

It is a privilege to lead this successful and happy school and to work in partnership with such enthusiastic children, committed staff and supportive parents and governors. We are proud of our recent high performance in public examinations. We also offer a wide range of enrichment activities to support and engage our local community.

Building on our past success, we continue to seek new challenges and opportunities to help children fulfil their potential, both academically and socially, so that they leave us with the widest range of choices in a challenging society. We want every child to feel part of the school community.

To achieve this aim, we provide an education that meets the needs of young people, delivered in an educational environment that emphasises traditional standards of uniform, discipline and respect.

Everything we do at Gaynes School is centred on ensuring that each individual student is educated and supported to succeed in the world today – as an individual, as a partner, as a member of a team and as a citizen.

With excellent facilities and high quality teaching, the students at Gaynes School are happy, challenged and motivated. The School is committed to the success of each of our students.

We aim to deliver:
