

How to make a Bowtie

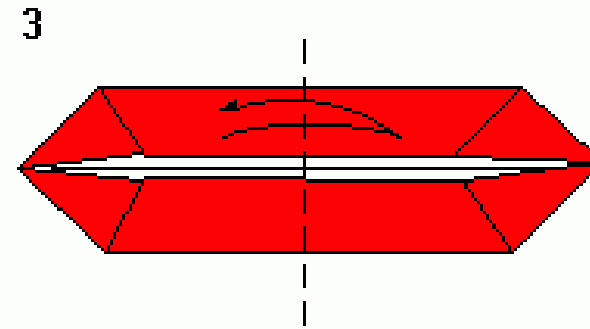

You will need a sheet of **A4** paper and colouring pencils to decorate. *Coloured paper would be advised but not necessary*

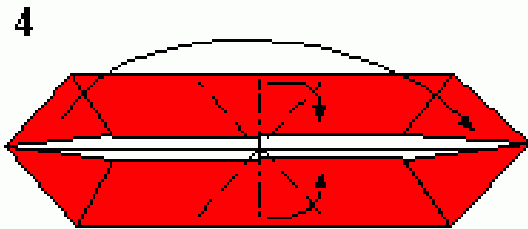

crease centreline then fold corners in

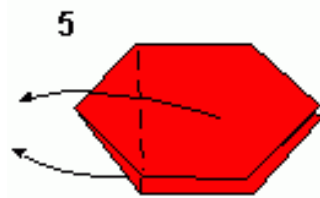

fold sides to centreline

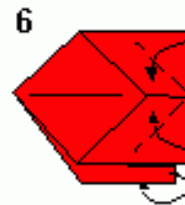

crease centreline

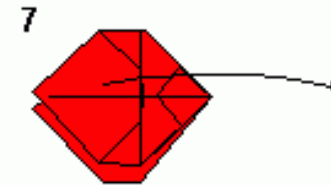

form waterbomb base

swing top and bottom flaps over

front corners fold forward, rear ones

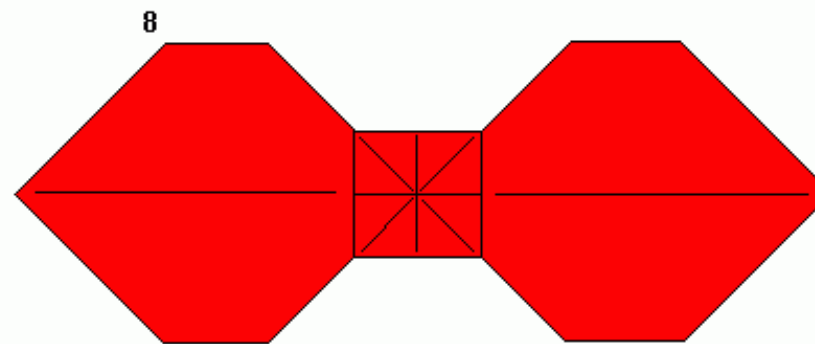

swing flap over and flatten centre

And finally....

Click or copy the following link to see video of how it can done
